CHATHAM FIRE

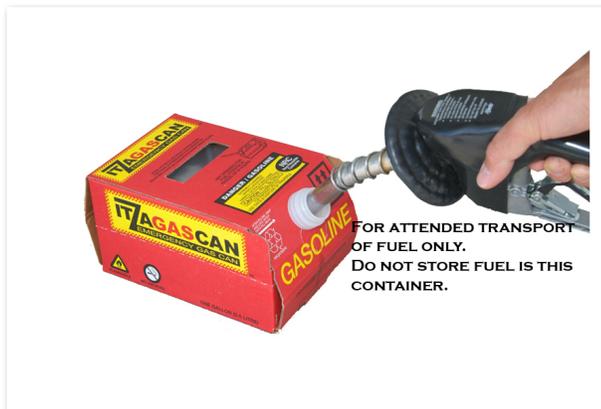

IT'Z A NOT A GAS CAN IN MA

The ITZ A Gas Can collapsible can is not approved for sale or use by the State Fire Marshal.

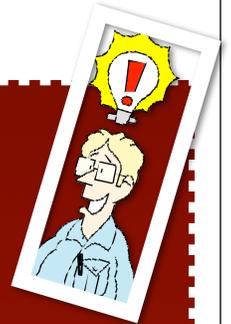

Gasoline or other flammable petroleum products may be transported without a permit in any open vehicle or in a compartment of a closed vehicle separated from the passengers, in total quantity not to exceed 21 gallons, provided such flammable liquid is contained in approved

containers with no individual container exceeding seven gallons capacity.

For Your Safety

Gasoline may be transported in red, approved (by DOT and Fire Marshal) containers of not greater than seven gallons and not exceeding 21 gallons total.

Gasoline should be in tightly closed containers and not stored in buildings of habitation.

Gasoline produces flammable vapors at any temperature above -45 degrees Centigrade.
