

FISHING PARTNERSHIP

S U P P O R T S E R V I C E S

October 2016

Hello!

Fishing Partnership Support Services (FPSS) is once again offering assistance to Massachusetts fishermen and their families with understanding health insurance options—and we need your help in getting the word out in your town.

Please place the enclosed poster(s) where fishermen, their spouses and other family members are likely to see them—at fish buying stations, coffee shops, local markets, the post office, library... wherever you think is best.

The FPSS serves as a “Navigator” to help fishermen and their families understand the Affordable Care Act requirements, subsidies, and penalties. We’re here to make sure that any fishermen who are interested in learning more have access to the right information -- and to assist them with their health insurance options and enrollment. We are also able to help other coastal residents and small businesses. The open enrollment period for 2017 health insurance plans runs from November 1, 2016 through January 31, 2017.

We urge you to visit the Health Connector’s website at www.mahealthconnector.org for more information about insurance plans offered in Massachusetts. If you have any questions, please feel free to contact the FPSS at the office closest to you.

Gloucester - (978) 282-4847
Plymouth - (781) 635-0011
New Bedford - (508) 991-3043
Chatham - (508) 237-9402

Thank you so much for your help with this!

Sincerely,

J.J. Bartlett
President
