

NOTE: Only regional shelters will be open during extreme weather events (such as hurricanes). Community shelters will be open during localized events.

Local municipal officials and emergency management personnel are responsible for notifying the public of shelter openings.

* All Barnstable County Regional Shelters are pet friendly

** SLOSH Zone: (Sea, Lake, and Overland Surges from Hurricanes) These are areas of inundation modeled to occur from wind and pressure forces of hurricanes. Inundation areas reflect "Worst Case" combinations of hurricane direction, forward speed, landfall point, and high astronomical tide. The SLOSH zones shown here have been obtained from the Army Corps of Engineers, 2002.

Data Sources:

Army Corps of Engineers, MassGIS Executive Office for Administration and Finance, the American Red Cross Cape Cod and Islands Chapter, and the Cape Cod Commission's Geographic Information System Department. All locations and designations of emergency shelters were provided by the American Red Cross - Cape and Islands chapter.

This map was produced by the Cape Cod Commission's Geographic Information System Department for "Project Impact Cape Cod" in 2003 and updated in July of 2010. Comments and corrections are welcome at the Cape Cod Commission office. This map is illustrative and all depicted boundaries are approximate.
