SIMPLE & FREE

LOVE YOUR LOCAL WATER.
IT'S A CAPE COD THING.

PROTECT WHAT WE LOVE ABOUT THE CAPE. IT ALL STARTS WITH YOU!

Household hazardous waste (HHW) collections protect what we love about Cape Cod, especially our precious local drinking water. Most chemicals are too toxic to throw away in regular trash or dump down the drain, so FREE collections are being held to take that waste off your hands and keep it out of our water supply.

Are you a small business? Do you use chemicals? To make your state required disposal arrangements and obtain pricing, contact Kalliope Egloff #508-375-6699.
