Chatham 365 Task Force to Host Public Forums

The Chatham 365 Task Force is hosting two public forums on Saturday, April 6, 2019 at 3:30 to 6:30 pm and Wednesday, April 10, 2019 at 6:30 to 8:00 pm in the large meeting room at the Chatham Community Center, 702 Main Street, Chatham.

The Chatham Board of Selectmen recognize that there is a demographic imbalance, a disparity of wealth and a shortage of attainable year-round housing in our town. In response, the Chatham 365 Task Force was created.

The purpose of the Chatham 365 Task is to identify the problems and challenges of living in Chatham year-round, and to pin-point ways to build a sustainable, vibrant and diverse community.

The Chatham 365 Task Force and its Facilitator will be asking participants:

1. How did we get to the place where it is so hard to live here year-round?
2. What are the challenges to live in Chatham year-round?
3. What would move Chatham to become a thriving, vibrant community?

All are welcome to attend including town residents and tax payers, those who work, grew up and/ or wish to live in Chatham. Bring your thoughtful comments and ideas. Refreshments will be served.

Free child care will be provided through the Monomoy Regional High School Community Service Program. Reservation of your child's attendance is required. Contact jjordan@monomoy.edu for more information.
