

## Important Information Regarding Second-Dose COVID-19 Vaccine Appointments

**Did you receive your first dose of COVID-19 vaccine at the following Barnstable County COVID-19 Vaccine Clinics?**

- **February 10 at the Melody Tent in Hyannis**
- **February 12 at Little Creek in Eastham**

Please note that you should have received your second-dose registration link this morning. If you haven't, please check your spam and junk mail folders.

**IMPORTANT:** The Massachusetts online vaccine registration site PrepMod ([www.maimmunizations.org](http://www.maimmunizations.org)) has been experiencing technical difficulties. **When you register for your second dose, you may get an error message 1006. Regardless, if you receive a confirmation email, you have successfully registered and there is no need to contact us.**

If you did not receive your confirmation email, please call our COVID-19 Help Line: (774) 330-3001. Callers are able to speak with Medical Reserve Corps volunteers Monday through Friday, 8am–4:30pm.

We appreciate your patience.
