For Immediate Release

Sewer Construction Update

Chatham – Robert B. Our Co., and Lawrence Lynch Co. have resumed work related to the sewer construction project begun last spring. Work this fall involves roadway restoration/paving and general cleanup/restoration and will take place over several weeks, weather permitting.

Work for the week of November 5th – 9th:

Monday/Tuesday- clean up, cut keyways, adjust castings

Wednesday – Friday – installation of top course of paving on the following roads in order:

Absegami Run/Oyster Bluff
Oyster Pond Furlong
Oyster Pond Lane
Jane's Way
Earle's Way
The Cornfield
Wheldon Way
Shattuck Place

Work for the week of November 12th – 16th:

*Tuesday/Wednesday – installation of top course of paving on inlet Road and Spinnaker Lane.
(*may occur at the end of the previous week if progress allows)

Roads will be passable at the end of each day. Police Details and Contractors will work with residents to ensure their needs for access are addressed.

Lawn restoration, etc. will take place following the top course of paving.

Police Details and signage will be in-place to assist motorists in reaching their destination.

Normal work hours are 7 AM to 5:00 PM Monday to Friday, weather permitting.

We encourage you to visit the sewer construction project web site for updated schedule information at: <http://www.chathamproject.info> and the Town's website for additional information regarding the CWMP and other important projects and events in the Town at: <http://www.chatham-ma.gov>.

Thank you for your patience and cooperation during this important project to restore and protect our environment. #
