For Immediate Release

Sewer Construction

Chatham – N&M Excavating LLC will continue work for the Crowell Road Phase 2 & Chatham Fish Pier Infrastructure Project (Crowell Road Phase 2 & CFP) as outlined below.

Work for Wednesday & Thursday (tentative), January 11th – January 12th:

- Continued drainage work expected on Crowell Road in the intersection with Tip Cart Drive. Due to the presence of multiple underground utilities, it may be necessary to close the intersection in all directions. *If a complete closure is necessary, traffic will be detoured via Main Street to Old Harbor Road to Orleans Road to Stony Hill Road.*

Please note that this is a projected schedule and will be adjusted accordingly based on the Contractor's actual progress and the weather.

Roads will be passable at the end of each day. Police Details and Contractors will work with residents to ensure their needs for access are addressed.

Police Details and signage will be in-place to assist motorists in reaching their destination. Normal work hours are 7:00 AM to 4:00 PM Monday to Friday, weather permitting, unless otherwise noted.

The website formerly used for project updates (<http://www.chathamscproject.info>) is no longer being updated as the information is now available on the Town's website under the Projects link. If you have this site bookmarked, please update with the new link to the Town's website. Sewer construction updates are being posted to the Town's website as the primary information site for residents at <http://www.chatham-ma.gov>. We encourage you to visit for additional information regarding the CWMP and other important projects and events in Town.

Thank you for your patience and cooperation during this important project to restore and protect our environment.
