**For Immediate Release**

**Fish Pier South Jog Bulkhead Reconstruction Project**

Chatham – MAS Building & Bridge will be starting a new phase of the Fish Pier Project that involves reconstruction of the deck and stairways at the Wharfinger Building. To undertake this work in a safe and efficient manner will necessitate closure of the deck and stairways to the public. Closure of the deck and stairways will also result in closure of access to the public restrooms at the Fish Pier.

The closure is expected to start on Saturday, March 11, 2023, weather permitting, and last for approximately 6-7 weeks.

Further information will be provided based on the Contractor's actual progress and the weather.

Thank you for your patience and cooperation during this important project to improve the town's infrastructure and improve public safety.
