~~which time the Regional School Committee will be seated and will serve for the balance of the transition period and thereafter.~~

~~A. Composition of the Interim Regional School Committee. As soon as possible after the approval of this Agreement by the voters, the Interim Regional School Committee will be formed which will consist of eight (8) members, four (4) from each town. Two (2) of such members will be drawn from the members of, and elected by vote of, each of the two (2) local school committees. Each of these local school committees will also appoint two (2) additional citizens who reside in their respective towns and who are not members of the local school committee to serve on the IRSC. The votes of these members will be weighted, and the requirements for an affirmative vote will be the same, as is expressed in Section I, subsection B of this Agreement. During that part of the transition period when the IRSC is in existence, should any member on the IRSC resign from membership on the IRSC or become ineligible for continued membership on the IRSC (e.g., by leaving the membership of the local school committee or by moving from their respective town) the local school committee will vote a replacement. If the vacancy is caused by one of the members of a local school committee leaving the IRSC, then the replacement shall be chosen from among the remaining members of that local school committee. If the vacancy is caused by one of the citizens leaving the IRSC, then the respective local school committee shall appoint another citizen who is not a member of the local committee as the replacement.~~

~~B. Quorum. A quorum shall exist when a five (5) of the eight (8) IRSC members are present, with no less than two (2) present from each of the member towns. At a meeting where there is no quorum, the members present may vote to adjourn but shall not take any other action.~~

1. The power to receive funds from the Commonwealth as well as appropriations, grants, and gifts from other sources. This is not intended to alter the fact that during the transition period other funds from the Commonwealth will continue to flow to the member towns and their individual school departments.
2. The power to establish and adopt policies for the regional school district.
3. The power to employ a superintendent, treasurer, chief financial officer, and director of Special education, as well as the power to authorize the superintendent to employ other personnel as needed.

## Summary of and Key to Proposed Changes

Within this document, areas changed within the current Monomoy Regional Agreement (as voted at Annual Town Meetings in 2022) are highlighted within the current Regional Agreement with the color orange. The proposed changes appear as either text that has been noted with a strikethrough or with a yellow color if new text has been added or existing text changed. The vast majority of the changes reflect using yellow highlights for updating the nomenclature to fit that used in 2023 or striking through obsolete language, usually specifying how regionalization would occur. For example, the word Monomoy does not exist in the Regional Agreement, simply because the Regional Agreement describes how Harwich and Chatham would come together to form a new regional district, but that district had back then not been formally created and named. There are also whole sections of the current Regional Agreement with a strikethrough because the language is no longer needed and obsolete, like a removal of the entire Section XX on the Transition Period from Harwich Public and Chatham Public Schools to the new regional district.

The vast majority of changes are simple wording updates. Often the document refers to the Monomoy Regional School Committee as the Regional District School Committee. In these cases, Monomoy would be added and highlighted in yellow and strikethrough on the word District – Monomoy Regional ~~District~~ School Committee. Similarly, our Boards of Selectmen in both towns are now called Select Boards – here Selectmen or Boards of Selectmen would be highlighted in orange in the current Regional Agreement and the text changed in the proposed change document to Select Board and highlighted in yellow.

There is one recommended change for the sake of clarity in Section IX. METHOD OF ASSESSING COSTS OF THE DISTRICT, which should have no fiscal impact on the towns. On page 20 of this side-by-side document, in the current Regional Agreement Section IX. D. 1. under Debt Service the text states “Debt service costs attributable to the high school and the middle school will be assessed to the member towns using the three year rolling average of each member town's foundation enrollment as described in Section IX, A, 3a ii.” This is the right calculation, but wrong reference.

The reference and Section IX, A, 3a ii have been highlighted in green because although the referenced section does describe the correct calculation it is based on a subset (grades 5 through 12) of the foundation enrollment and not the total foundation enrollment. The understanding passed at annual Town Meetings for the original Regional Agreement was that Debt Service and Capital Costs for the high school and the middle school would be handled in a similar manner, based on three year rolling averages of each town's foundation enrollment. Referencing Section IX, A, 3a ii is inconsistent with the rest of the Debt Service clause and – the correct reference for Debt Service should be Section IX, B, 1. Section IX, B, 1. has been highlighted in red and specifies how Capital Costs are assessed. Debt Service should be handled similarly; therefore Section IX, D, 1. has also been highlighted in red. Section IX, A, 3a ii refers to how revenues would be applied for each cost center with the new assessment methodology (with each town funding its own elementary school) and has nothing to do with Debt Service or Capital Costs – for clarity it is highlighted in green but should not be

linked to the Debt Service calculation. Under these proposed changes to the Regional Agreement, the towns continue to pay for their own elementary schools, including capital and debt costs at the town's elementary schools; whereas, costs for the fully regionalized middle school and high school are split based, as specified, based on a three year rolling average of foundation enrollment.

## Proposed Changes to Monomoy Schools Regional Agreement 2023 – The “One-Pager”

### Why make changes?

#### 1. To remove old language used prior to the creation and naming of Monomoy Regional School District

The most significant change is that whole sections of the current Regional Agreement are recommended for removal because the language is no longer needed, such as details on the transition period to the new regional district.

The word *Monomoy* does not exist in the original Regional Agreement, because the document describes how Harwich and Chatham would form a new regional district that had not yet been officially created and named.

- Regional District School Committee will be changed to Monomoy Regional School Committee in over 40 locations
- Board of Selectmen will be changed to Select Board in 10 locations
- Wherever Regional District or Regional School District appears (without reference to the School Committee), it is changed to Monomoy Regional School District
- The Elementary School in the Town of Chatham is now changed to Chatham Elementary School
- The Elementary School in the Town of Harwich is now changed to Harwich Elementary School
- The “combined Middle School/High School” in the Town of Chatham is now described as Monomoy Regional Middel School

#### 2. To clarify a reference point for assessing costs

There is one recommended change for the sake of clarity in Section IX. In the current Regional Agreement Section IX. D. 1. under Debt Service the text states “Debt service costs attributable to the high school and the middle school will be assessed to the member towns using the three year rolling average of each member town's foundation enrollment as described in Section IX, A, 3a ii.” - this is the right calculation, but the wrong reference.

- The reference will be corrected from Section IX, A, 3a ii to Section IX, B, 1

\*This change has no fiscal impact on the towns
