

The Town of Chatham and Cape Cod Commission
invite you to a

Public Workshop

Low Lying Roads Project

The workshop will provide an opportunity to:

Learn about the goals and objectives of the low lying roads project and hazards associated with coastal flooding to low lying roads

Evaluate low lying town roads most vulnerable to coastal flooding and discuss which roads are most critically at risk and would have the most community impact when flooded

Identify priority road segments that should be considered for adaptation solutions in the next project phase
