RE: Town of Chatham
Draft Environmental Impact Report and
Notice of Project Change Document for
Comprehensive Wastewater Management Planning Project
Project (EOEA # 11510)

Dear Mr. Bowles:

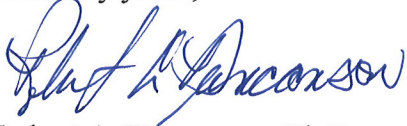

The Town of Chatham (Town) is submitting this Draft Comprehensive Wastewater Management Plan/Draft Environmental Impact Report (DCWMP/DEIR) and Notice of Project Change (NPC) in accordance with 301 CMR 11 in reference to the Town's Comprehensive Wastewater Management Planning (CWMP) Project (EOEA #11510).

This DCWMP/DEIR and NPC will also be filed with the Cape Cod Commission (CCC) as part of a joint review process in accordance with the November 1991 Memorandum of Understanding regarding joint MEPA/CCC review of Environmental Impact Reports and Developments of Regional Impact. The Town has scheduled a televised presentation/hearing with the CCC at 7:00 p.m. on Thursday, May 22, 2008 in the Chatham Town Offices.

Please find three copies of the DCWMP/DEIR including one signed original of the NPC and one unbound copy of the NPC. Please note that we have provided the Appendix items for this submittal to MEPA in hard copy and on disk; however, due to the size of the Appendices, and in an effort to reduce the amount of paper used, the Appendices have been included only on disk(s) (at the end of Volume 2 of this document) for those on the distribution list.

If you have any questions regarding this DEIR and NPC document, please do not hesitate to contact me (508) 945-5165 or J. Jefferson Gregg, P.E., at Stearns & Wheler (508) 362-5680.

Sincerely yours,

A handwritten signature in blue ink that reads "Robert A. Duncanson". The signature is written in a cursive, flowing style.

Robert A. Duncanson, Ph.D.
Director of Health & Environment
