acts necessary and incidental thereto. The Town shall have the right of entry and passage over said easements from time to time for the passage and storage of vehicles, equipment and supplies associated with such construction, reconstruction, installation, operation, maintenance, repair and inspection of the water, sewer and drain system works authorized herein.

Trees, shrubs and stone walls located within the above referenced easements are also taken hereby and shrubs and stone walls may be relocated within the easement area. Other structures so located are not taken and shall be removed or may be relocated within the above referenced easements whenever their removal or relocation shall be required for the purposes for which this easement is taken.

The Town is not hereby taking any interest in existing easements, if any, affecting the above referenced parcels that do not interfere with the use of the premises for the purposes of a public water, sewer and drain system, as described above, and is not taking any structures located within such parcels pursuant to any such existing easements, but such structures may be relocated.

Betterments are not to be assessed for the public improvements to be made pursuant to this Order of Taking.

Upon appraisal of prospective damages resulting from the subject taking, we have determined that no damages have been sustained by the persons whose property is taken or impacted by this Order, and we, accordingly, do not award damages to said persons.
