

TOWN OF CHATHAM

HARBORMASTER DIVISION

OLD MILL BOATYARD
613 STAGE HARBOR ROAD

STUART F. X. SMITH
HARBORMASTER

To: All Chatham Mooring Permit and Waitlist Holders

From: Stuart F.X. Smith, Harbormaster

Date: October 23, 2020

Subject: NEW ONLINE MOORING PERMIT AND WAITLIST PROGRAM

Over the past several years, Harbormaster personnel have been researching and evaluating the implementation of a mooring program capable of providing customers the ability to renew and pay online. After careful consideration, MooringInfo LLC., has been selected to provide the necessary services to achieve the Town's long sought goal of a mooring management system.

Within the next few weeks, the 2021 Mooring Permit and Waitlist renewals will be sent out initially by email. For those customers without an email address, renewals will be sent out by regular mail shortly thereafter. It is requested that all permits be renewed online or through the mail. Due to the Town of Chatham's current Covid-19 policy, in person renewals will be severely limited and restricted to appointment only.

If you have not received any email notices from the Harbormaster, please check your email "Junk" folder before forwarding your correct email address to the Mooring Manager.

If you have any questions, please contact Michael Ryder, Mooring Manager, at (508) 945-5185 or via email at mryder@chatham-ma.gov.
