Household hazardous waste (HHW) collections protect our local drinking water. Most chemicals are too toxic to throw away in regular trash or dump down the drain, so FREE collections for residents are being held to take that waste off your hands and keep it out of our water supply.

NOT A RESIDENT? VISIT WEBSITE FOR REGISTRATION. PROOF OF RESIDENCY REQUIRED.

Are you a small business and do you use chemicals? To make your state required disposal arrangements and obtain pricing, contact Kalliope Chute, HazMat Environmental Specialist, at #508-375-6699.
