Boat Shrink Wrap Recycling Program

Spring 2019

To help reduce the amount of plastic waste that enters the environment, Woods Hole Sea Grant is conducting a free shrink wrap recycling program on Cape Cod this spring. From April 16 through June 30 (while space lasts), boat owners can bring their clean, bundled shrink wrap to one of three locations across the Cape to be recycled.

We can only accept clean, white shrink wrap. All doors, strapping, zippers and other non-shrink wrap materials MUST be removed from it. Please see instructions on how to bundle your shrink wrap for recycling.

Who Can Participate?

This program is for Cape residents. We cannot accommodate shrink wrap from boats off-Cape.
