**Procedure for Installation of Irrigation Meter**

1. Application for an Irrigation Meter should be completed at the Water Division Office at 221 Crowell Road or can be printed at the following link; [https://www.chatham-ma.gov/sites/chathamma/files/uploads/irrigation\\_meter\\_app.pdf](https://www.chatham-ma.gov/sites/chathamma/files/uploads/irrigation_meter_app.pdf) and can be mailed to 221 Crowell Road, Chatham, MA 02633.
2. There is a \$200 fee for the Irrigation Meter that should accompany the application.
3. The Irrigation System must also be registered with the Town. An Irrigation Registration Form should be completed at the Water Division Office at 221 Crowell Road or can be printed at the following link; [https://www.chatham-ma.gov/sites/chathamma/files/uploads/scannerdpwchatham-ma.gov\\_20170621\\_101911.pdf](https://www.chatham-ma.gov/sites/chathamma/files/uploads/scannerdpwchatham-ma.gov_20170621_101911.pdf) and can be mailed to 221 Crowell Road, Chatham, MA 02633.
4. There is a one time \$50.00 registration fee for the Irrigation System that should accompany the application.
5. The owner will need to hire a plumber to t-off the existing water line into the house to accommodate the two meters (one for household use and one for irrigation use). Once the plumber has completed their work a water technician will install the second meter at your property. If the plumber needs the water shut off at the street to complete their work please call the Water Office at 508-945-5150 and we will send a water technician out within a half hour window to shut the water off at the street and will turn the water back on when the plumber has completed their work. (attached is a sketch showing what the piping should look like when completed). If your plumber has any questions please have them contact the Water Office.

As always if you have any questions please do not hesitate to contact the office.

***Please note that the Water office can only receive checks for any payments, we do not except cash or credit cards.***
