The Water and Sewer Commissioners voted to declare a State of Water Supply Conservation and enact the following voluntary water conservation measures:

1. State of Water Supply Conservation for the period May 15, 2017 through September 30, 2017.
2. Outdoor watering at odd-numbered addresses restricted to odd-numbered calendar days. Outdoor watering at even-numbered addresses restricted to even-numbered calendar days.
3. Outdoor watering limited to 1" (one inch) or less per watering event.
4. Outdoor watering limited to the period 6 PM to 12 midnight, except for in-ground irrigation systems which are limited to 12 midnight to 6 AM.
5. No washing of cars, boats, or sidewalks/driveways. Commercial car washes using recycled water are exempt.
