2019-2020 BEACH & TRANSFER STATION STICKERS EXTENDED

The Board of Selectmen voted to extend 2019-2020 Beach & Transfer Station stickers for Chatham Residents and Property Owners, due to expire June 30th, until July 31st, 2020. This action was taken in response to the COVID-19 closure of Town Offices to the public and the extra time needed to process sticker applications through the mail.

The one (1) month extension applies to 2019-2020 Combination Beach/Transfer Station, Beach Only, Transfer Station Only, and Recycling stickers.

If you’ve already mailed in your 2020-2021 application, you can continue using your 2019-2020 sticker through July 31st until your new sticker is received. If you’ve already received your 2020-2021 sticker, please use that one.

Town officials continue urging everyone to take the recommended steps of social distancing, limiting exposure to others, frequent handwashing, proper respiratory etiquette, and wearing of a face-covering when social distancing is hard to maintain seriously to limit the spread of the virus (https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html).

High risk individuals, including older adults, those with underlying medical conditions (heart or lung disease, high blood pressure, diabetes, weakened immune system, anyone who is pregnant), are urged to remain at home.
There is a substantial amount of information available on COVID-19 at the local, regional, State, and Federal level available online. We urge residents and visitors to visit the following sites for accurate, updated information:
